

ASPEN

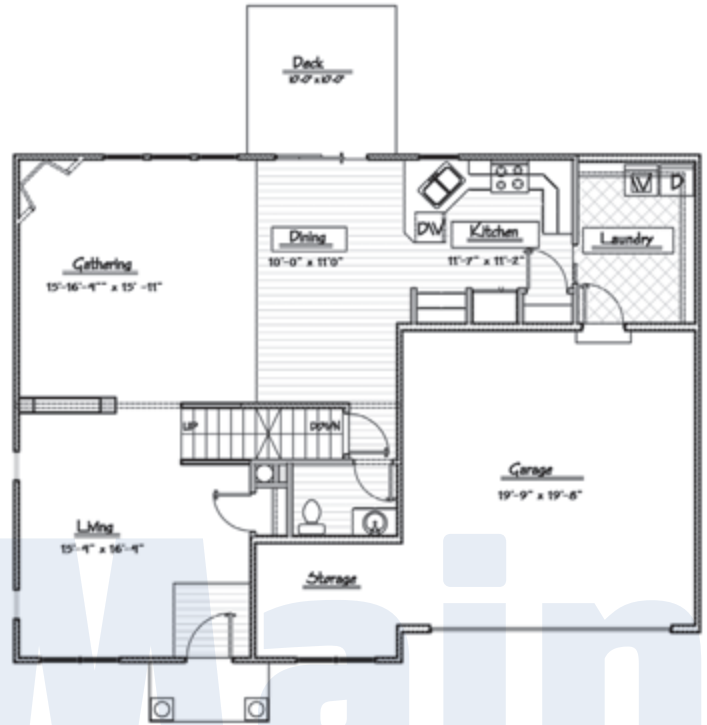

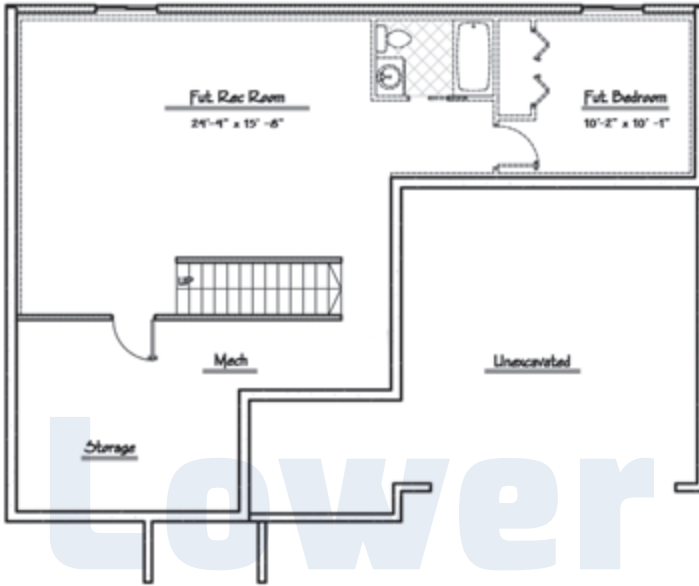

If it's all about space, the Aspen is the ideal plan to maximize your "space-per-dollar." Describing it truly exhausts the adjectives for "large." There is the massive great room, the spacious living room, and a huge family entrance into a sizeable laundry. **Upstairs,** you'll find 4 roomy bedrooms, including a substantial owner's suite with walk-in closet and cozy sitting area. The "spacefest" continues on the second floor with yet another room, which could become a game room, home theatre, craft room...the possibilities are endless! If you seek to invest your money in **pure and useful living space** . . . The Aspen is for you!

ASPEN

FLIP IT. COLOR IT. IT'S YOUR HIGH PERFORMANCE HOME!

All of Bosgraaf's home plans can be "flipped" with the garage on either side. Colors, inside and out, are up to you, as well. You can even decide to invest in optional features such as a third garage stall, or other enhancements. Even though we offer "pre-designed" home choices, *we believe the only place for cookie cutters is in your kitchen drawer!*
