

THE OAKWOOD

The ultimate family home might just be the Oakwood. As you pass through the Oakwood's entrance, you're greeted immediately by a cozy main floor den, then a spacious gathering area—a versatile space that's as comfortable supporting an afternoon nap, as it is entertaining several guests. If you enter through the garage your family gets a generous "landing zone" for shoes, boots, backpacks, and the like. A fully equipped kitchen, and expansive deck complete the main floor. Upstairs you'll find the laundry room, 4 bedrooms, including an owner's suite with a walk-in closet, and a large owner's bath. With the possibility to finish the lower level to add more bedrooms and recreational space, the Oakwood makes a fantastic family home!

The Oakwood is for you!

It's YOUR
High Performance
Home!**

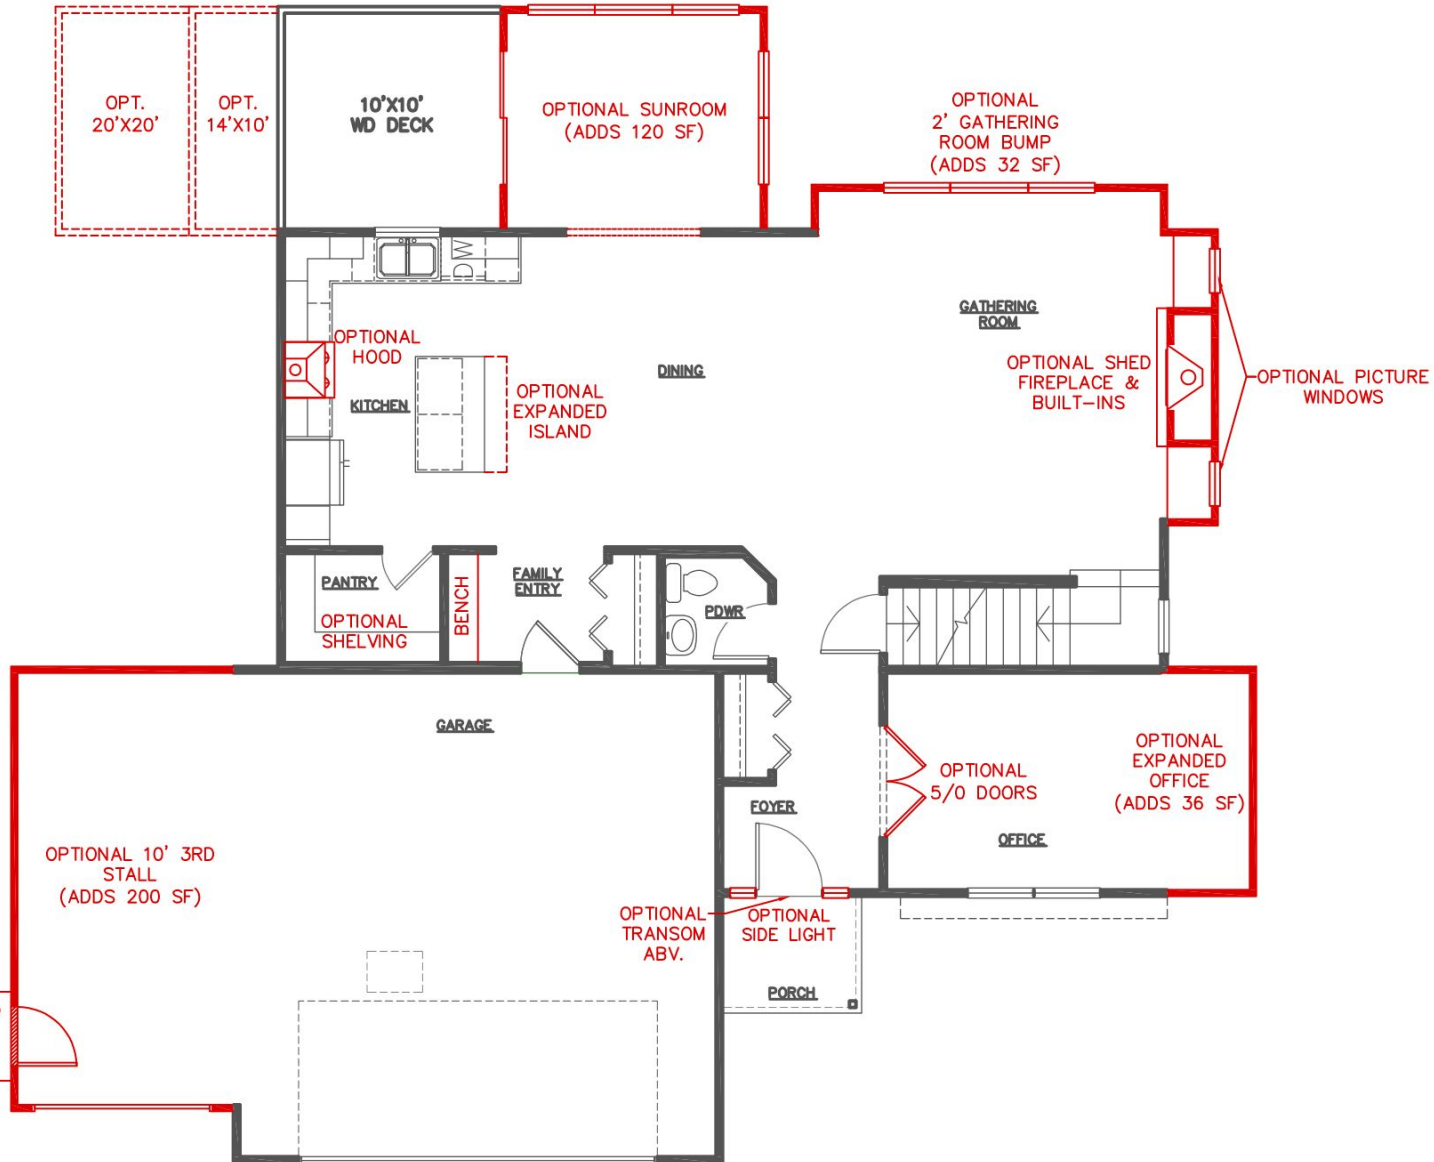

All of Bosgraaf's home plans can be "flipped" with the garage on either side. Colors, inside and out, are up to you as well. You can even decide to invest in optional features such as a third garage stall, or other enhancements. Even though we offer "pre-designed" home choices, we believe the only place for cookie cutters is in your kitchen drawer!
