

# THE YUKON

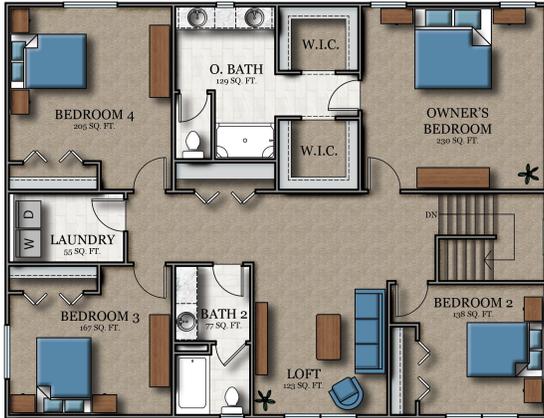

Step into the inviting Yukon floor plan, a thoughtfully crafted two-story home where comfort meets functionality. At the front of the home, you'll find a welcoming foyer, a formal dining room, and a quiet home office, providing versatile space for remote work or study. You'll then be greeted into the breakfast area and spacious gathering room, as well as an open-concept kitchen ideal for both casual family moments and entertaining. The home expands on the second floor with a versatile loft space, laundry room, and 4 spacious bedrooms including the owner's suite with two walk-in closets and a private bath. With both elegance and practicality, the Yukon is designed to fit your lifestyle.

**Flip It, Color It,  
 It's YOUR  
 High Performance  
 Home!**

All of Bosgraaf's home plans can be "flipped" with the garage on either side. Colors, inside and out, are up to you as well. You can even decide to invest in optional features such as a third garage stall, or other enhancements. Even though we offer "pre-designed" home choices, we believe the only place for cookie cutters is in your kitchen drawer!
